“A grateful heart doesn't drink” is the saying in Alcoholics Anonymous that emphasizes how practicing gratitude can be a powerful tool for staying sober. It suggests that focusing on appreciation for what one has in life, instead of negative emotions, resentments, or self-pity, makes a person less likely to turn to alcohol as a coping mechanism. Hence, we start four meetings a week with gratitude's.

November 25, 2025

Chair (Matt W) opened the meeting at 7:30 with Serenity Prayer

Secretary (Ashley J) Read meeting minutes. Accepted as read.

Treasurer (Steve B) Revenue: \$13,862; Expenses \$17,372 for NOI of (\$3510) Cash Balance \$49,999 as of October 31, 2025.

- Craig: 185 Mayhew rent- why so far over budget? Rent increased.
- Craig: Sept phone bill 4 times October? Sept bill and PGE were lumped together. This wasn't caught in October, so it was reported in Nov. This will start to even out.
- Dona: 2 entries in utilities. What is difference in 183 and 193. A: there are 183, 193 and 187 (back office).
- Steve: Still no access to fidelity accounts. Still earning interest. Working on getting access.
- Full physical inventory has been done on books.

New Intergroup Reps: Woody (Renegade Group), Tommy (Give it away), Zack (Pinole candlelight), Stacy (Back Alley Young Peoples Group)

Group Overview: Ann Girls gone Mild: Mondays 7 pm @ 2000 San Pablo Ave in Pinole. Women's Big Book Study. The first meeting was held on August 5th, 2019. Earlier that year the Ladies Tea group had a group inventory and highlighted the need for a women's book study in the El Sobrante area. The founding members, including Tina O., trialed the new meeting and covered service positions until the meeting grew. At the first business meeting, they discussed the name of the meeting. Tina had dreamed of naming a meeting "Girls Gone Mild" since her first year in sobriety. "Girls Gone Mild" was only 6 months old when the covid shutdown began. The meeting went online quickly. The first in person meeting after shutdown happened to be almost exactly on the meetings first anniversary. "Girls Gone Mild" studies the big book, and at each meeting several members read a few paragraphs at a time then opens for discussion. The meeting is open and encourages cross talk in the spirit of learning more about the program.

Topic Presentation: Matt: Special Worker Job description/posting. Will benefits/compensation continue? Matt reached out to many local Intergroups. Compensation will start at slightly less than what Orrin made, to match "fair market" and account for fact that Orrin worked up to his salary. Stipend will be given for healthcare. This position will require extensive office manager knowledge and will be full time for at least 2 years. We will be implementing a 3 year contract. Employment reviews will be conducted every year. More than likely there will be a 5 year maximum.

Cyn: IOC discussed what service center really needs. Part of ensuring next special worker has skill set needed was making everything online. Applications can be entered on contracostaaa.org. Special worker job posting is linked. The Posting breaks down job description and submission instructions. You will be able to see the next steps and apply. Required documents for submission are resume and letter to IOC stating why you want the position. All communications will be done via email. Please make sure you receive the application confirmation. If it is not in your inbox, check junk. Deadline for applications is 12/12 at 5pm. Anything past that will not be accepted. PLEASE do not bother the service center with application inquiries. IOC members will get in touch with everyone who applies.

Dona: How long after applications close will interviews take place? A: IOC meeting is being moved back one week (12/16) to review applications and hopefully a week after that we will reach out. Phone interviews will probably be first step.

Craig: Is the application being posted outside as contra costa? A: no we wanted to keep it to the community for best knowledge of area. Membership at large will have access.

Posting has been live for a few hours.
