SERVICE IN ACTION

It takes many helping hands to keep our Service Center running. Each month, we like to recognize a few AA members who have generously given their time, talents, or an extra helping hand in support of the Service Center and our local AA community.

- **Brian G.** – For going above and beyond by sharing his time, talents, and know-how to help keep the Service Center's lights on—quite literally!
- **Jan G.** – For always being willing to step in, lend a hand, and be of service at our front desk when needed!
- **Mary Ann M.** – For jumping into service as one of our newest office volunteers and for the time and commitment she's already giving to the Service Center!
- **Kathy R.** – For always being there to lend a helping hand, for the care and hands-on training she gives our office volunteers, and for her outstanding dedication and service as our Office Volunteer Coordinator!

To these members—and to all who quietly give their time, talents, and helping hands to support the Service Center—
thank you for being of service and for helping us continue to be here for our AA community.

TREASURER'S FINANCIAL REPORT

Treasurer **Trina S.** presented the financial report as of July 31, 2026.

- Revenue: \$21,855
- Expenses: \$20,296
- Change in Net Assets: \$1,559
- Cash Balance: \$48,008

Questions Raised:

- Questions were raised regarding the prior month's reported deficit and fundraising revenue exceeding the budget.
- It was clarified that the prior reporting reflected the timing of several large checks received in June.
- Cyn also explained that fundraising revenue includes a portion of New Year's Eve event revenue and that, due to limited historical budgeting records, the current year's budget is serving as a baseline and may not provide reliable comparisons in all categories. Fundraising events have generally performed well, including sold-out New Year's Eve and Traditions Breakfast events, with some related expenses still being received.
- Improved historical data from 2026 is expected to support more accurate budgeting in future years.

Motion: Approve Treasurer's Report. | **Second:** Received. | **Result:** Motion approved.

GROUP HISTORY – Bottom of the Hill Group — Presented by JR

- Thursdays, 7:00 PM at the Church of the Nazarene in Pittsburg
- Open Discussion
- Business meetings are held on the first Thursday of the month.
- Founded approximately July 2003 after Ron Lew identified a need for additional English-speaking AA meetings in Pittsburg.
- The Church of the Nazarene approved use of its property for the new meeting.
- Founding members included Ron L., Johnny L., Betty J., and other supporting AA members.
- The group was named Bottom of the Hill.
- Members later organized AA speaker/dance events in the area, with support from the local Boys and Girls Club.
- The group's prudent reserve was subsequently lost through circumstances involving a member's addiction, ending the additional speaker/dance activity.
- Numerous longstanding members have continued supporting the group and the local AA community.
- Ron L. remains an active member and has served in numerous group service positions.
- Additional member participation is needed to fill service positions.

Scheduled Future Group History's

- **Oct:** None — Fall Elections
- **Nov:** None — Topic Presentation Scheduled
- **Dec:** None — No IG Business Meeting

TOPIC PRESENTATION – Preserving Group History to Support the Archives — Presented by Bruce C.

- Bruce C., representing Tuesday Nooners in Danville, presented on the importance of preserving local AA history.
- The presentation emphasized that historical records are increasingly at risk as longtime members pass away and materials are discarded.

- Discussion included:
- Historical role of early local AA members, including Nancy O., in the development of the Service Center and archives.
- Loss of historical materials following Orrin's passing.
- Need for groups to take an active role in documenting their own histories.
- Need for old Communiqués, meeting schedules, group histories, and other historical materials.
- Lack of a standardized process for identifying, recording, and preserving local group history.
- Potential creation of an archives panel representing East, West, and Central Contra Costa County.
- Development of standardized Group History forms.
- Need for volunteers to transcribe existing handwritten historical records.
- Potential development of a more organized physical filing system in coordination with the existing archives.
- Trina S. and another member volunteered to assist with transcription of existing group-history forms.
- Bruce emphasized that archivists serve as custodians responsible to the fellowship rather than simply collectors of historical materials.
- A Group History Form was distributed to assist meetings in documenting founding information, locations, formats, service practices, significant events, and other historical information.

Upcoming Topic Presentations:

- **Sep:** None — Group History presentation scheduled
- **Oct:** *None – Fall Elections*
- **Nov:** Topic Presentation Scheduled – Need topic and presenter

ANNOUNCEMENTS

A question was raised regarding unallocated group contributions listed in the Communiqué.

Cyn S. explained that some contributions arrive using General Service numbers or names that cannot be matched to existing Service Center records, preventing the funds from being properly credited until additional identifying information is obtained. For funds received via PayPal Cyn continuously follows up using the email provided at the time of the contribution, however there are many that have yet to reply. She hopes that groups are checking the Communiqué and if they do not see their contribution or if their contribution appears in the unallocated contribution section, that someone will reach out to her so she can properly credit the contribution.
